

Brighton Summer Reading Challenge 2010

This summer Brighton students are invited to try the Brighton Summer Reading Challenge! To give it a try follow these 5 easy steps

- 1) Find your grade level list for 2010-2011
- 2) Read at least 5 books this summer including at least 3 from your list (these are to be new reads!)
- 3) Fill out your chart with three sentences about each book (following)
- 4) Have a parent sign for each book
- 5) Bring the list back to school in by September 8th

There are so many good books on these lists! Each list has a wide range of interests and reading levels. They are meant to be read by the students themselves (even though some would be such good read-alouds!) Awards will be given to everyone who reads at least 5 books, a top reader in each grade level, and the top readers of the summer. These will be presented at the September 10th Assembly.

Book Title	Author	Three sentences about the book! <i>What happens in the book? Who are the characters?</i> <i>What did you think of the book?</i>	Parent Initials
