

June 15 – August 21, 2015

Brighton School

# Summer Camp 2015

*Jr. Destination Adventure – for campers entering grades K-1, ages 4-6*

# Jr. Destination Adventure – entering grades K-1

*As campers transition from our Discovery Zone Camp to our Destination Adventure Camp we are proud to offer Jr. Destination Adventure, specifically designed for campers entering kindergarten and first grade in the fall. Each small group is limited to 13 campers. Groups will be rotating traveling to various field trip destinations several times a week and staying at base camp to experience other adventures that will include activities such as science, academic review, outdoor activities, technology time with our iPads, crafts and a weekly hike to our neighborhood park for a picnic and playtime. This is a camp adventure unlike any other.*

## Sample Daily Field Trip Schedule

9:00 Arrive at Camp  
 9:05 Morning Circle (discuss where we are going for the day, what we will be doing there, and what we need to take with us) Each day we will be taking prepared activities, games, and books for our campers to use in the field.  
 9:30 Load Bus and head to destination  
 10:00 Morning Activity includes investigating our destination and doing our “on the go” morning project, snack, and recess.  
 12:00 Lunch  
 12:30 Recess  
 1:00 Afternoon Activity (Similar to morning activity but may be at a new location)  
 2:00 Pack bus to head back to Brighton  
 2:30 Classroom  
 3:00 Dismissal

Brighton School  
 6717 212<sup>th</sup> ST SW Lynnwood, WA 98036

| 10   | 8/17-8/21 | Ahoy Mateys           |

# Jr. Destination Adventure – Weekly Adventures

As campers transition from our Discovery Zone Camp to our Destination Adventure Camp we are proud to offer Jr. Destination Adventure, specifically designed for campers entering kindergarten and first grade in the fall. Each small group is limited to 13 campers. Groups will be rotating traveling to various field trip destinations several times a week and staying at base camp to experience other adventures that will include activities such as science, academic review, outdoor activities, technology time with our iPads, crafts and a weekly hike to our neighborhood park for a picnic and playtime. This is a camp adventure unlike any other.

## **Week 1 (June 15-19) Teddy Bear Adventures**

Jr. Destination Adventure has a tradition of starting off the summer going on a tour of the Build-a-Bear store at Alderwood Mall. There each camper creates their own bear, names him or her, and has a week's worth of adventures with their new friend.

## **Week 2 (June 22-26) Getting' Dirty**

Outdoors can be dirty as we experience wilderness in Yost Park and Lynndale Park following trails and going on scavenger hunts. Back at camp we will be making crafts, cooking camp foods, and more. It's sure to be a week full of fun with our camp friends!

## **Week 3 (June 29-July 2) Party in the USA**

This four day week will be jammed packed with adventure as we prepare for the 4<sup>th</sup> of July. We will be picking strawberries at Biringer Farm in Arlington, we will explore Snohomish parks and library, and back at camp we will have a patriotic bike parade.

## **Week 4 (July 6-10) Under the Sea**

Campers will be going on a ferry ride to Kingston to explore some of the beautiful beaches along the shores of Puget Sound as well as visiting the Seattle Aquarium. We will be learning about many of the sea creatures that live right here in the Pacific Northwest.

## **Week 5 (13-17) A Bug's Life**

Want to be surrounded by beautiful butterflies and see how they live? Join us as we visit the Science Center and learn all about the interesting lives of bugs. We will also be going to Legion Park to find our own bugs with containers and magnifying glasses.

## **Week 6 (July 20-24) Amazing Race**

Do you like to travel? Be sure to come for our amazing race adventures! We'll be completing activities as we take a ferry boat ride to Clinton and watch planes at Paine Field. We will learn about the amazing places that are right here in our own backyard!

## **Week 7 (July 27-31) Movin' and Groovin'**

This week is all about eating healthy, staying fit and being active. Campers will play games at the Meadowdale Sports fields, attend a session at Pump It Up! and participate in a gymnastics class at Cascade Elite! Back at camp we'll bowl, golf, and more!

## **Week 8 (August 3-7) Artful Antics**

Campers will be channeling their creative sides as we try various forms of art. Our special trips this week include Seattle's Olympic Sculpture Park to sketch, and Mountain View Farm to pick blueberries for eating and art!

## **Week 9 (August 10-14) Animal Planet**

It's time to visit the Woodland Park Zoo for the day as we learn all about some of our favorite wild animals! We will also go on a scavenger hunt in PetSmart for items we need to take care of pets! Sign up to bring your pet for a visit to camp!

## **Week 10 (August 17-21) Ahoy Mateys**

Be sure to join us for our summer camp finale as we make maps and telescopes to use as we search for buried treasure at Brighton School! We will visit the Pirate playground at Bothell Landing and go on the Seattle Duck Tour!
