Preschool Program

We're in session for summer!

Ages 3 - 5

We're in session for summer! As a continuation of our Links to Learning curriculum, our summer program is a fun-filled adventure for children ages 3 - 5. Each week, preschoolers jump into action, participating in fun and exciting activities and special events. Our activity blocks are sprinkled throughout each week, giving preschoolers fun and variety in their camp day.

The Artist in Me

Campers will get crafty using a variety of materials to create wacky and abstract masterpieces, nurturing their creative flair!

Jr. Olympics

Little champions practice sportsmanship through fun sports and games, focusing on sharing, taking turns, and being a great friend.

Kids Helping Kids

Campers learn the joy of giving back as they work together to help community members in need.

Minute to Win It

Ready, set, go! Campers enjoy a thrill working together to complete fun and sometimes silly tasks before the clock runs out.

Listen to Your Art

Campers engage in movement and dramatic play, expressing themselves and fostering creativity!

Build it Better!

Little builders dive into messy fun with hands-on building projects using Legos, foam, clay, and more!

Splash-tacular!

Campers stay cool and have a blast with water-themed games, water tables, sprinkler runs, and more, making a splash this summer!

Connect the Dots

Campers exercise critical thinking and problem-solving skills through engaging activities.

Tinker Around

Young learners experience S.T.E.A.M. through fun projects that encourage questions, problem-solving, and exploration.

Curiosity Lab

Campers delve into the wonders of science and exploration, sparking their curiosity and creativity!

Day Camps

School-Age Day Camp

Where every day is EPIC • Rising K – 4th Grade

Every week, campers delve into the realms of science, nature, creative arts, and performing arts, while engaging in a medley of sports and games. Our camp promises an exceptional array of indoor and outdoor activities, including special guests and exciting on-campus events, adding an extra layer of delight and creating unforgettable moments.

Draw, Paint, Create

Campers discover their inner artist in a vibrant journey filled with brushes, colors, and boundless imagination!

Project Blueprint

Delve into simple machines and architectural design, sparking curiosity and problem-solving skills.

Color Wars

Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration and team spirit.

Summer Games

Channel your inner Olympian! Engage in friendly competitions, team sports, and challenges promoting camaraderie and sportsmanship.

Kids Helping Kids

Inspire compassion and empathy through various service projects, creating a brighter future for those in need.

Makerspace

Creativity and construction collide! Plan and build 3D objects using wood, clay, PVC, and more in our innovative Makerspace.

Myth Busters

Tease your brain! Brain teasers, puzzles, and riddles enhance logic, reasoning, problem-solving, and math skills.

Discover Lab

Collaborate and innovate! Campers solve problems and develop a love for science, technology, engineering, art, and math.

Joyful Noise

Laughter abounds as campers gain creativity and confidence through singing, dancing, and acting.

Cosmic Exploration

Embark on an extraordinary journey through the stars, exploring the wonders of the universe through stargazing and space-themed experiments.

Team Brighton

Expand their horizons

Rising 5th – 9th Grade

Older campers take day camp to the next level as they expand their horizons, embark on new adventures, and most importantly have fun. Team Brighton Campers focus on leadership growth and skill development in an environment that forges lifelong friendships. Our program provides an opportunity for campers to become camp role models, participate in service learning, and grow STEAM-based skills.

Leadership

Campers engage in peer-to-peer learning weekly, fostering confident and knowledgeable social-emotional leaders. They develop a leadership mindset through activities focused on team building, collaboration, self-advocacy, and mindfulness.

STEAM Skill Development

Campers master essential STEAM skills, including engineering and math, through project-based learning. With a focus on these crucial 21st-century skills, our campers extend their learning throughout the summer, immersing themselves in exploration and discovery.

Service Learning

A cornerstone of the Extreme Camp program is our focus on service-learning projects. Giving back to our local communities and fostering a greater understanding of relating to others strengthens our campers' connection to the community and encourages them to be active, solution-focused citizens.

Camp Role Models

Our oldest campers spend time daily as active role models for their camp community. Whether they are helping run the camp recycling program or creating the camp newsletter, these young leaders are modeling positive interactions, empathy, and high motivation for achieving goals for the entire camp community.

EPIC
MOMENTS
Unforgettable Summer.

Hands-on fun!

Rising 5th – 9th Grade

Whitehat Hacking & Cybersecurity

In this specialty camp, you will learn how to “hack” through fun coding (and code-breaking) games. You’ll learn about the three main methods hackers use, hack fake websites we set up, and learn how to stay safe online. Get ready to have fun breaking things! Led by Vineyard App Camp!

Week: June 17 – 21 (No camp June 19)

Price: \$300

Art of Math

Art and Math? Who would have thought? In this camp we will explore concepts of mathematics that can be used to create art. We will also learn about artists like Piet Mondrian and Paul Klee who use math to create art. And, finally, we will become the artists and create our own pieces that are inspired by other artists and math! Led by Middle School math teacher, Ms. Bodnar!

Week: June 24 – June 28

Price: \$370

Wanderlust

Wanderlust / noun: strong longing to wander. So let's go! This fun-filled week is full of field trips all over the Seattle area! Hop aboard and we are off.

Week: July 1 – 5* (No camp July 4)

Price: \$300

Ultimate Frisbee

Ultimate Frisbee has a unique collaborative, ruleset where players help enforce the rules together that fosters cooperation and growth. In this camp, we'll learn the game, play together and learn how to be diligent and overcome challenges through repeated tournament play. Led by Vineyard App Camp!

Week: July 8 – 12

Price: \$370

Hands-on fun!

Rising 5th – 9th Grade

A.I.

Campers gain access to a suite of tools that can help with homework in the future, build familiarity with the new AI world we're moving into, and — importantly — understand when and when not to use this powerful new tool. *Note that this is not a coding class* Led by Vineyard App Camp!

Week: July 15 – 19

Price: \$370

Drone Aviation

The Drone Aviation STEM unit challenges campers to use small drones to solve problems. Campers will use a drone to inspect difficult-to-reach areas within the school, develop and present a drone-security solution, and even simulate potential avalanche locations at a new ski resort.

Week: July 22 – 28

Price: \$370

Digital Photography

Campers learn the basics of Digital Photography, in all of its forms. Every day, we'll take pictures, do photography, and learn about photography. We'll discuss Composition, Lighting and other core strategies that allow professionals to take incredible photos. Led by Vineyard App Camp!

Week: July 29 – August 2

Price: \$370

For the Love of Theater

Join our very own, Mr. D.C., for a week of theater camp! We will place the focus more on preparing short scenes and/or creating their own monologues. However, no matter the age group, each week will end with a final performance (recorded at camp and sent to participants families at the end of the camp week) that'll showcase their "love of theater!"

Week: August 5 – 9

Price: \$370

Hands-on fun!

Rising 5th – 9th Grade

Experimentation Nation

Middle School Science teacher, Ms. Plemmons, will be leading a week of FUN experiments! Join her for all things messy, curious and EXPLOSIVE! Get ready for some serious experimentation!

Week: August 12 – 16

Price: \$370

Team Brighton Survivor: Season 2

Bringing STEM to the great outdoors, campers will love the hands-on, collaborative curriculum. With each activity, campers problem-solve, putting their new skills to the test to conquer everything Mother Nature throws their way. Where the TV show comes to life!

Week: August 19 – 23

Price: \$370

Academic Camps

Keep learning while having fun

Rising Kindergarten – 4th Grade

Academic camps are a wonderful way to enhance your child's love of learning while focusing on a specific subject. From math and robotics to literature and creative writing, we have something for every student. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Mastering New Skills

Put a Spell On Me

Each morning will be based around a phonics or SPELL(ing) rule. 1st and 2nd graders will specifically be working on digraphs and long vowels. Each afternoon will be based on a story study where campers are working on comprehension and fluency and engaging in art and science connections. Led by our fabulous Kindergarten teacher, Mrs. Mooneyham!

Grades: Rising 1st – 2nd

Week: July 15 – 19

Price: \$370

Reading Rocks!

Each morning will be based around a phonics or spelling rule. 3rd and 4th graders will specifically be working on syllables and roots/bases of words. Each afternoon will be based on a story study where students are working on comprehension and fluency and engaging in art and science connections. Led by the amazing Learning Specialist, Ms. Megan!

Grades: Rising 3rd – 4th

Week: July 15 – 19

Price: \$370

Rhyme Time

Students in rising kindergarten and 1st grade will be practicing their rhyming skills with nursery rhyme studies! Each day will be spent breaking down a nursery rhyme and then expanding on that theme.

Grades: Rising Kindergarten – 1st

Week: July 29 – August 2

Price: \$370

Rising Kindergarten – 4th Grade

Academic Bridge Camp

Our Academic Bridge Camp helps students reinforce their learning from the previous school year and build deeper understanding in preparation for the upcoming year. Our fun and engaging lessons are facilitated by certified teachers. Through reading and writing, students build vocabulary and comprehension skills as they explore important social-emotional themes such as friendship, forgiveness, and standing up for others. Students also engage in STEM activities with an emphasis on deep understanding, strategic practice and technology integration.

Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we'll create lasting memories of this diverse and breathtaking natural paradise.

Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

Kilauea Iki Crater Hike

You'll start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we've explored the Halema'uma'u Crater, we transition to Oahu. There, we'll continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we'll pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that's nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!

2024 Camp Policies

**REGISTER
ONLINE**

Visit the camp section of our website to sign up today.

Forms

Please email the camp staff at julie.lobb@brightonschool.com if you have any questions regarding required forms. Campers will not be permitted to attend without the required forms on file.

Payment

One week's tuition is due at the time of enrollment. The deposit will be applied to the final week of camp. Weekly camp fees are due every Monday. A \$25 late fee/day will be charged if payment is not received by 12 pm Tuesday.

Cancellation

If you enroll in camp and your plans change, or you have concerns about your child attending camp this summer, you can receive a full refund/credit for camp tuition, less registration fee. **Program change request must be received 2 weeks prior to enrolled camp week start date.** Participants who do not attend their registered camp week, or who do not contact us to cancel (via the parent portal) two weeks prior to start date, will not receive a refund or credit. By submitting your payment, you are agreeing to the policy outlined above.

Lunch

Please provide lunch daily and a snack. If your campers is staying for after care, please send an additional snack.

Sunscreen

Apply sunscreen to your child prior to coming to camp and provide a hat they may wear during outside play time (please label the hat with your child's name).

Parent Authorization/Medical Release: The information provided is correct to the best of my knowledge, and the person described has my permission to engage in all prescribed camp activities, except if noted by me. In the case of sickness or accident, I hereby give permission to the medical personnel selected by the camp representatives to order x-rays, routine tests, treatment, dental work, and necessary transportation for the recipient at my expense. If I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp representative to secure and administer treatment, including hospitalization, for my child as named above. As the parent/legal guardian of student, I hereby give consent to the School to obtain all emergency medical or dental care given under whatever conditions are necessary to preserve the life, limb or well-being of the student named herein. I understand the School, its officers, affiliates, and employees assume no liability of any nature in relation to the transportation or treatment of the student. I further understand that all costs of transportation via ambulance or other means, hospitalization, examination, X-rays, or treatment provided to the student is the sole responsibility of the student's parent/legal guardian. I authorize the camp staff to apply sunscreen to my child's exposed skin on an as needed basis—if child needs assistance. All photos that are taken of my child may be used for promotional purposes. This form may be photocopied for use away from the main program site.
