

A summer camp for students entering kindergarten or
first grade

Ready Made for the Next Grade!

An educational summer camp designed for students entering Kindergarten and First Grade in September. Each week we will challenge your child as we read, write, and work on math concepts. We take learning outdoors and we make it fun and exciting as we prevent "summer brain drain".

Taught by Kellie Smith, former Brighton PreKindergarten Teacher, and Wendy Dalton, Brighton Teacher.

Session 1 - Mystery Week: July 13-17 Session 2 - Magic Camp : July 27- 31

Session 3 - Adventure Week : August 10-14

All Classes Meet 9am-3pm Extended Available 7am- 5:30pm

Session 1: Mystery Week Do you like solving mysteries? Ever dream of being a spy? Want to see if you can make it through our Laser Beam Maze? Then this week is for you!

Session 2: Magic Week If you love doing magic then come to camp this week and learn magic tricks that you can amaze your friends and family with!

Session 3: Adventure Week Each day this week we will head out on imaginary adventures from pirate ships to hot air balloons!

Each session is different - Sign up for one session or all three!

Minimum of 12 students needed to sign up by May 1st for class to run
