PHILOSOPHY OF ATHLETICS

Brighton School believes that athletics are an integral part of the school's extracurricular program, as it provides experiences that assist young people in growing physically, mentally, and emotionally. Emphasis is placed on providing positive learning experiences throughout athletics. We believe that winning is an immediate objective in all athletic contests, but is not an end in itself; the desire to win should never outweigh the desire to be part of a team, experience challenges, and stretching one's personal growth.

INTERSCHOLASTIC ATHLETIC CODE OF CONDUCT
