## Science & Nature

### Weird Nature Science (K-2nd)

Have you ever wanted to be a scientist? Or to increase your understanding of the natural world? Well, you're in luck! In this class, we'll be learning about physics and the natural world through fun, easy science experiments that you can take home.

We'll learn about states of matter through building volcanos; we'll learn about sound through creating 'naturally occurring' speakers. Along the way, we'll be taking our experiments outside in order to improve the environment at our school by planting simple gardens and making bird feeders. It's the perfect club if you love science, nature, engineering, or just making things blow up.

Grades: K-2nd  
 Time: Thursdays - 3:15 to 4:15 p.m  
 Dates: 4/18/24 to 6/6/24  
 Cost: \$300
