Fall 2025

S.O.A.R. (Student Opportunities for Activities and Recreation)

Where learning continues beyond the school day

Our SOAR Program offers students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

The SOAR program at Brighton School offers a vibrant before and after school experience designed to support the whole child - academically, socially, emotionally, physically, and creatively. SOAR stands for Student Opportunities for Activities and Recreation and is built to provide students with a balanced, joyful start or end to their day through enriching activities, opportunities for growth, and meaningful connections.

Program Details:

- Hours:
 - 7am – Start to school
 - End of school - 5:30pm
- Cost:

Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours:
 - Early Childhood: : 2:45 - 3:30 pm
 - K-8th Grade: 3:15 - 4:15 pm
- Cost:
 - Early Childhood: : \$320 per 8-week session
 - K-8th Grade: \$365 per 8-week session

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs & Enrichments

Mondays

Chess Wizards

Chess Wizards is the largest chess education program in the United States. Our goal is for chess, and education in general, to be fun and exciting for our students. Learning chess has many great benefits for kids, like better decision-making, self-confidence, logical thinking, and sportsmanship. We have a huge variety of classroom activities designed to make learning fun, such as team chess games, interactive lessons, and both chess and real-life thinking puzzles.

Band and Choir

Band and Choir

Band Essentials

Band Essentials builds a strong musical foundation while keeping learning fun and engaging. Students will explore basic music reading, rhythm, tone production, and ensemble skills while learning one of five core band instruments: flute, clarinet, trumpet, trombone, or percussion. Through hands-on practice and group performances, students will gain confidence, develop teamwork, and experience the excitement of playing in a band. No prior knowledge required—just curiosity and enthusiasm!

Grades: 4-8

Days & Time: Mondays and Tuesdays 7:15 - 8:00 am

Cost: \$150 per semester

Instructor: Miss Natalie
